

STREETGAMES NATIONAL CONFERENCE 2009

**Wednesday 29th & Thursday 30th April,
Lilleshall National Sports Centre**

'Making Doorstep Sport Sustainable - The Challenge Ahead'

What will I get out of it?

The **StreetGames National Conference** gives you the opportunity to network with partners from the sports, leisure and physical activity sector and with voluntary and community sectors. There are a variety of practical quick fire workshops delivered by partners who have been there and done it!

StreetGames is the only national charity dedicated to developing sport in disadvantaged communities and our goal is to make sport accessible to everyone regardless of their income and social circumstances. We champion 'doorstep sport', by which we mean positive activities delivered close to home, at the right time, at the right place and in the right style.

SHARE LEARN MOVE FORWARD
